BROOKLYN PASSED

The Boston Braves Are Now in Second Place.

Red Sox Advance While Detroit Tigers Slip.

New York, Sept. 9.—The Boston Nationals, last year's world champions, swung into second place Wednesday by the narrow margin of one point over Brooklyn as the result of their double defeat of the Superbas, while Philadelphia, although winning a game from New York, dropped a few points of its lead over the Braves.

The Braves and Superbas are now less than three full games behind the leading Phillies.

Boston increased its lead over Detroit in the American league race to two and a half games by dividing a doubleheader with the tail-end Philadelphia Athletics, while Detroit was losing a game to Chicago.

The Boston Americans are conceded to have an excellent chance to capture the flag. The team remains at home for a long period to play the western teams at Fenway park, while Detroit is on the road struggling to overcome the weakness of their pitching staff by the ability of their heavy hitters.

WOMAN RULES A CITY

Los Angeles' Only Fair Councilman Is Mayor for a Day.

Los Angeles, Sept. 9.—Miss Estelle Lawton Lindsay, the city's only councilwoman, was acting mayor of the city today. Mayor Sebastian having been called out of town for the day.

This is the first time, as far as known, that a woman has acted as the head of a municipality of the size of Los Angeles.

LATTIE ONE OF 'EM.

They are bragging up John Savage and Jackson, Hall and Brown; They are bragging up "Bugs" Grove.

And "Dash" and Rapps, the clown. Sure, I know these guys are worthy. They deserve the praise and fame; But listed up there with the best ones.

You must put "Old Lattie's" name. Some are bragging up Nick Lakoff. And they say that George can throw.

And Tydemann, "Squire" and Fisher. And Carroll and Monroe. But say, now while you're telling Of the heroes they have been, Please give each man what he deserves.

And bring "Old Lattie" in. His plays are seldom flashy. Like the Cobb and Collins style. But he plays the old game steady. And he knocks the pill a mile.

When it comes to playing second. In this league he wears the crown. So in listing up the heroes. Please put Lattie's handle down.

The K. U. football team will have a smaller number of letter men back this fall than in several years. It is estimated that the new coaches are not worrying about this, however, and are, in reality, glad that they have new blood to work with. Among the latter number who are certain to be in the lineup when practice begins are: Captain Tony James, Strother, Reber, Heath, Keeling, and Householder. "Bill" Gray, who was a valuable man last year, is not expected to re-enter school.

If the Western League magnates and wise as a hooting wisdom finch, they will see to it that the expenses of their league are cut to such an extent that most of the clubs at least can break even during an ordinary year.

It is generally thought that the pruning knife will be used before another opening day arrives and several of the club owners have stated that something drastic will have to be done. It is rumored that the meeting scheduled to be held in Omaha this week has one of its purposes the taking of preliminary steps along this line.

However, up to a late hour Wednesday night Owner Savage, of the local club, was not positive that the meeting would be held.

SPORT WHEEZES

Being Performed Dog Meat, Frame Pies, Lemon Sandwiches, Etc. (By Clug.)

C. N. Wray who made such a good showing at the recent Grand American shoot has given up his position as local agent for a cash register company and has joined the ranks of professional powder burners.

It is more than likely that the bite of the lightning bug proved fatal to Mr. Wray, but members of the Topeka gun club intimate he was probably afraid to subject his laurels to local challenges.

There is a strong possibility that "Red" Roche who played with the Savages a part of the season will be back next spring. Roche has written Owens Savage, that he is a free agent and would like to come back to Topeka.

Owner Savage, of the Topeka team, announces that Sir James Jackson will probably guide the destinies of the team again next year. Savage and Jackson will hold a conference just before the barnstormers leave and an agreement was reached, although no contract was signed.

The exact baseball attendance figures have been announced. Topeka drew 53,493 people at home and 53,143 on the road. Two towns, Des Moines and Wichita, turned out 25,000 the road attendance which doesn't speak very loudly for the five other towns to which the Savages paid car fare.

Fourteen men reported to Coach Kennedy for the first football practice that was held at Haskell institute this week. Several others have since reported and the squad is expected to be much larger by the last of the week. Haskell's first game will be with Kansas Wesleyan Sept. 25.

The Sunday sport section of the Washington Star carried two double column pictures of Sammy Mayer and a big write up about him. According to the story, the Kansas City club, to whom Mayer belonged before he jumped to the Reds, will be compensated by Griffith if Sammy makes good.

Major Harvey, the Washburn College negro who made a remarkable showing on the freshman football squad last fall, has been running a drill in a quarry in Nebraska this summer, but will be back in school and announces that he will be a candidate for the team.

Two Lawrence teams will come to Topeka Saturday to participate in the Missouri Valley Volleyball tournament. The team that will contend for the valley honor will be composed of Messrs. Richardson, McClain, Amick, Rice, Weatherly and Cooper.

A news dispatch says this country is busy making wooden arms and legs for European war victims. Maybe that's the reason the factories haven't time to make new wooden heads for the baseball war victims.

IN NET DOUBLES

Johnston and Griffin Take Title From Former Champions.

Youth Served Again; But by a Narrow Margin.

Forest Hills, Sept. 9.—In the most remarkable exhibition of doubles tennis play witnessed in this country in many years, Wm. J. Johnston and Clarence Griffin, both of San Francisco, wrested the championship from the three-time holders, Maurice E. McLoughlin, of San Francisco, and Thomas C. Bundy, of Los Angeles, here Wednesday afternoon. The scores were 2-6, 6-3, 6-4, 3-6, 6-3.

No more thrilling climax to the thirty-fifth annual championship tournament of the National Lawn Tennis association could have been staged had the games been pre-arranged.

For more than two hours the four California racket stars engaged in a court duel that aroused unbounded enthusiasm among the 7,000 spectators that filled the grand stands and club house galleries.

How closely the contest was waged is shown by the fact that the victors won 23 games and 153 points to the losers 22 games and 154 points. Johnston and McLoughlin stood out as the individual stars of the match, although both were ably supported by their partners, Griffin and Bundy.

In the beginning the team work of the champions who first won their double title in 1912, was superior to that of the challengers. As the match progressed, however, the veterans were checked in their chosen form of attack and the younger men, adding

speed to each service and stroke, gradually forced McLoughlin and Bundy into errors of judgment and stroke, which was the essential cause of their undoing.

Details of the Battle. A recapitulation of the point score and stroke analysis follows: Johnston and Griffin—Sets 3; points 153; games 23. McLoughlin and Bundy—Sets 2; points 154; games 22. Stroke analysis: Johnston and Griffin—Aces 1; placements, 48; nets 45; cuts 46; double faults 4. McLoughlin and Bundy—Aces 5; placements 54; nets 52; cuts 50; double faults 2.

Both men were to weigh 175 pounds at 3 o'clock this afternoon.

Holland Releases Two Players. St. Joseph, Mo., Sept. 9.—Jack Holland has unconditionally released Jack Bliss, catcher, and returned Boulton, field captain, to Bridgeport team, now defunct, of the Eastern association. Holland announces he will sign two infielders, two outfielders and two pitchers within ten days for next season's team.

To Play Off City League Tie. In order to decide the championship of the City league, the Gem and Eagle teams which are tied for first place will play a post season game Sunday, according to the announcement of the president of the league. An effort was made to play off the tie during the last week of the Western league season, the game to be a curtain raiser to the regular game, but arrangements were never made.

Relief for Catarrh Sufferers Now FREE

You Can Now Treat This Trouble in Your Own Home and Get Relief at Once.

How the Remedy for Catarrh Was Discovered.

THIS terrible disease has raged unchecked for years simply because symptoms have been treated while the cause of the trouble has been left to circulate in the blood, and bring the disease back as fast as local treatments could relieve it.

C. E. Gauss, who experimented for years on a treatment for Catarrh, found that after perfecting a balm that relieved the nose and throat troubles quickly, he could not prevent the trouble beginning all over again.

On test cases, he could completely remove all signs of Catarrh from nose and throat, but in a few weeks they were back.

Goes to the Root of Stopped-up noses Constant "frog-in-the-throat" Nasal discharges Hawking and spitting Snoring at night Bad breath Frequent colds Difficult breathing Smothering sensation in dreams Sudden fits of sneezing Dry mucus in nose and any of the other symptoms that indicate approaching or present catarrh

Removes the Cause and Immediately Gives Relief to the Nose and Throat

Reese Jones, of Scranton, Penn., says that after trying many other treatments, he used this new method and "My nose is now entirely clear and free and I am not bothered by the disease any more. The New Combined Treatment is worth its weight in gold."

Temporary relief from catarrh may be obtained in other ways, but the New Combined Treatment must inevitably be accepted for permanent results.

Sarah J. Cape, Mount Pelia, Tenn., says, "I suffered the pains and distress of catarrh for thirteen years and needless to state, tried nearly every remedy actually tried it and none of them completely cured and you cannot imagine the joy that has come over me."

This new method is so important to the welfare of humanity, so vital to every person suffering from any form of catarrh, that the opportunity to actually test it and prove its results, will be gladly extended without one cent of cost.

A large trial treatment, with complete, minute directions, will be sent free to any catarrh sufferer. Send no money, take no risks, make no promises. Simply clip, sign and mail the coupon and the test package of the New Combined Treatment will be sent, fully prepaid, together with the valuable book on Catarrh.
